 - Preservation
 - Thirst
- Hunger and Thirsting for righteousness
- It is a pursuit to follow God closer and closer every single day.
 - Salt in Hunger
 - We enhance flavor of humanity by seeking out righteousness
 - As we develop in sanctification, we preserve what it looks like to seek God.
 - Salt in Thirst
 - Worship is the way in which we partake in living water offered by God
- Acting as Salt and Light
 - Acting as Light
 - When we live a Christologically Centered Life, we then become a light that shows others the true meaning of being human.
 - We live by faith and become lights that allow others to find their way to righteousness with God in their own lives.
 - Our thirst for righteousness is to invite the Holy Spirit into our everyday lives and actions.
 - Acting as Salt
 - When we live as the Salt of the world, we should be demonstrating the ways in which we live out the love of God.
- So What?
 - Being salt and light means more than simply doing good things, it means we reflect the transformation that God brings to the world.
- Action Points
 - In what ways can we dedicate our actions and will for the glory of God?
 - Have we allowed God to light our lives and show us how we can better serve God?
 - Consider one way that God can bring Transformation over our lives.
